Northside Child Care & AEL

Rising Kindergarten - Jr. Camp

K4 parents who intend to have their rising kindergarten remain at Northside for the summer must register for our Jr. Camp summer program by April 25th. Summer events include weekly swimming (on campus), daily academic reviews, daily devotions, themed activities, and special monthly in-house field trips. Bring them prepared to have fun and get dirty!

Please note a Camp Daily Schedule and Lesson plans will go home in place of the Jr. Camp book this year.

If your child will not be attending Jr. Camp their last day of care will be **May 30th**.

Family Picnic

Please note our annual Family Picnic has been canceled.

K4 Promotion

Our K4 Promotion Program will be held Friday, May 16th at 10:00. We will celebrate afterwards with a department picnic.

Playground Update

Thank you for being so patient with our playground progress. Even though the parking lot is completed, the side projects are still on the way. Currently, we are having a sidewalk poured by our Crawlers and One's playground and are pouring a cement pad to support the cushion tiles on the Crawler playground. This will allow safer emergency evacuation routes and address our drainage issues.

The 3K playground at the rear of the center is having a drain installed to keep the area dryer. This playground should re-open within the next week or so.

The 2's and 4K playground equipment has been ordered and is scheduled to arrive in about 4 weeks. The grass is coming in nicely and we will be planning to have plenty of grassy areas left once the equipment is installed.
