Student Appreciation Day

Thank You – We want to thank all the K5 parents that brought in snacks for teacher snack day on Wednesday. Everything was delicious!

Dismissal Lines – Please do not park or leave your vehicle unattended in the drop-off/dismissal lines in the morning or afternoon. When someone parks in the lane, it makes it very difficult for traffic to keep moving.

Riddle – What do you call a crab that never shares? **A selfish shellfish.**
Congratulations to Andrew Kakaley for having his riddle published in the “Ranger Rick” magazine.

Award Winning Authors –Mrs. Bartlett’s class had a book entitled When I Grow Up published with Nationwide Learning Inc. Their book has been chosen as a finalist in the Nationwide Learning National Book Challenge based on the story content, overall organization of the book and artwork.

Mollie and Katie Johnson – Mollie and Katie Johnson have a new “look” to show off. They recently donated 10 inches of hair each to Locks of Love. Your new “looks” are great, and we are so proud of you!

Re-enrollment for 2008-09 Begins Today - It is time to begin enrollment for the 2008-09 school year. Information was mailed on Tuesday, January 16. The school is offering a 50% discount on the Registration Fee from January 22 through February 15. We trust that each family will take advantage of this discount and re-enroll for next school year. We are excited about the things God is doing in our school and we look forward to His continued blessings as we "partner with parents" for their child’s education.

Sword & Shield Available on the Web Site - The latest issue of the NCAs school newsletter, *Sword & Shield*, was mailed recently. The issue is also available on our Web site at www.ncaknights.com. Choose the Sword & Shield link under the *Latest News* box. You may want to encourage family and friends to visit the Web site and read the latest issue to find out what has been happening in our school.
