NCA's Jazz Band Plays at Disney World

The High School Jazz Band traveled to Orlando on Friday, May 2. On Saturday they participated in a 3 hour jazz workshop at Epcot where they recorded several Disney classics, played some blues, and recorded the song "Kiss the Girl" synced to a scene from the Little Mermaid. On Sunday, the jazz band played a 30 minute set at the Starlight Café in the Magic Kingdom. They walked thru the tunnels under the park from the pre-staging area and the stage raised up into the restaurant while performing the opening tune of the set. Very cool! On Monday, they played two shows for Orangewood Christian School, which inspired many young students to get involved in the band program at their school. Even with this busy schedule, they were able to enjoy all four Disney parks. They represented the band department, our school, and the Lord very well. Oh, I almost forgot, they were presented with a hand-made, hand-painted, one of a kind, limited edition trophy for participation in Disney's "Magic Music Days". It will be presented on Wednesday, May 14th at the May Mosaic of the Arts concert. If you see a Jazz Band Member, congratulate them on a job well done.

Perfect Attendance

We are double checking our records for students with perfect attendance and multiple years of perfect attendance. Please contact Mrs. Long in the C-wing office if you think your child is eligible for one of these awards.

Living Proof Live Simulcast with Beth Moore

Beth Moore is coming to Northside via satellite. On August 1st and 2nd, the fourth national Living Proof Live simulcast broadcasts from Louisville, Kentucky. You can experience every minute of Beth Moore's powerful messages, along with incredible praise and worship led by Travis Cottrell and the praise team. Tickets are available at the church office for \$35.00 each. Bring your friends for a fun-filled Bible study, teaching, and worship experience to enrich your mind, soul, and spirit!

Women In Northside Summer Bible Study

Join us as the ladies of Northside and our friends and neighbors gather for an inductive look at the book of Philippians. The book of Philippians is a joy-filled book, though written by the Apostle Paul from a Roman prison. It is a Christian psychology book, based solidly on biblical doctrine. What is the secret of Paul's joy as he wrote this letter to the church at Philippi? It is in the way the believer thinks – the *mind*. Susan Renstrom will lead us in this study every Tuesday morning beginning June 10th in A204 from 10:30 a.m. until noon. Childcare is provided. Let this be your summer of discovering joy...it's all in your mind!
