

Northside Baptist Church, under the direction of founding pastor, Dr. W. Jack Hudson, began Northside Christian Academy in 1961. Continued dedication to excellence in both academic and spiritual endeavors has allowed Northside to grow from an enrollment of 44 students to the present student body of nearly 900 students in preschool through grade 12. By emphasizing an education that reaches the heart as well as the mind, Northside Christian Academy has produced graduates who are currently experiencing success in every area of the professional world. From the fields of Christian ministry and fine arts to the fields of business and medicine, our graduates are providing dynamic Christian leadership nationally and internationally. Northside Christian Academy is an accredited, private, Christian academy. The accrediting agency is the Association of Christian Schools International. Though each faculty member is required to be certified, our requirements do not end there. They must have established a reputation of exemplary character and give proof of commitment to continued scholarship. Through a trained mind and servant's heart, extending beyond the boundaries of the classroom, each teacher is challenged to produce positive change in the lives of his or her students.
