

Math Teacher Recommendation Form

This Teacher Recommendation Form is to be filled out for all students by their most recent math teacher.

Applicant's Name: _____ **Grade:** _____

Parents: Please print the applicant's name, sign the waiver below, and provide a stamped envelope addressed to **Northside Christian Academy, Admissions Office, 333 Jeremiah Blvd. Charlotte, NC 28262** for the math teacher completing this form.

If you homeschool and your child has no other teacher reference, please complete this form with as much objectivity as possible and sign as both parent and teacher. If you have participated in a homeschool co-op, however, please seek an outside reference.

I release all such references from liability for any damage that may result from furnishing such evaluations of my child to Northside Christian Academy, and I waive any right that I have to inspect the references provided on my child's behalf.

Parent's Name: (please print) _____

Parent's Signature: _____

Date: _____

Math Teacher Recommendation Form

To the Teacher: The student named below is applying for admission to Northside Christian Academy. Please complete this recommendation carefully and mail it directly to our Admissions Office at 333 Jeremiah Blvd., Charlotte, NC 28262. This recommendation form can also be faxed to our Admissions Office at (704) 921-1384.

Teacher's Name: _____ **School:** _____

Applicant's Name: _____ **Grade:** _____

How would you say the student performs regarding homework? Does he/she do it well? Does he/she turn it in and on time?

How would you describe the relationship between the student and his/her peers?

How is the student's contribution and participation in the classroom?

Has the student ever incurred a disciplinary referral? - if so, how many?

Please explain the student's attendance/tardy record.

How would you characterize your relationship with the students' parents/guardians?

In your opinion, what are the applicant's strong points academically?

What are the student's weak points academically?

Thank you very much for your time and consideration.
