ACADEMIC RECOGNITION

NCA Students are regularly recognized for their academic achievements by outside organizations, including Duke University's TIP program, the National Merit Scholarship, and the College Board. All AP teachers have had course audits approved by the College Board, and all of NCA's AP courses are recognized and accepted by colleges nationally.

Students in the College Preparatory Track are required to earn a minimum of 100 hours, while students in the Advanced College Preparatory Track must earn at least 150 hours. The school helps students track their community service hours in high school and recognizes at graduation those students who have accumulated 250 hours or more of community service. The class of 2022 accrued over 1,500 hours of community service.

Northside Christian Academy admits students of any race, color, national or ethnic origin, to all the rights, privileges, programs, and activities generally accorded or made available to students at the Academy. It does not discriminate on the basis of race, color, national or ethnic origin in the administration of its educational policies, admission policies, scholarship and loan programs, athletic and other Academy-administered programs.
